

MUSIC IS MAGIC

In Art With Heart, Bellamy Brush was having a great time listening and dancing to her favorite records. Let's talk about the **MAGIC** of **MUSIC**!

What's your name? _____

What's your favorite type of music? _____

What specifically makes this type of music so fantastic?

What's the name of your favorite singer or band?

What is it that you like about this particular singer or band?

If you were a singer or had a band, what name would you go by?

Why do you think people like to listen or dance to music?

What is your favorite musical instrument?

What is it about that instrument that makes it so cool?

Do you play a musical instrument? Which one?
