

Art With Heart

Lesson #2

Age:
5th Grade

Objective:

- Students will recognize that there are comparisons and contrasts to be found in storybooks of the same genre.
- Students will identify the themes, the characters, the events, and patterns of the two different storybooks.

Materials:

Art With Heart by Julie Woik

Pencils or Pens

Print out form that correlates with this lesson.

An extra piece of paper to write the answers.

Optional - Send home letter to parents regarding this lesson.

See attached *Letter for Parents*

Activity:

Gather the children in a circle and read Art With Heart, showing everyone the illustrations. After the reading, hand out the form for this activity. Provide the students with another book from the Lilly the Lash series. Have the students read a question from the activity, and then find the answer by comparing the two books. This activity could be done with any two books in the Lilly the Lash series.

Assessment:

Students will know the similarities and differences among the characters, settings, and events presented in various texts. They'll recognize the patterns created by the author for each of the books in this series.
