

# Art With Heart

## Lesson #1

**Age:**  
Kindergarten

### **Objective:**

- Students will identify words and construct meaning from text and illustrations using strategies of phonics, word structure, and context clues.
- Students will use knowledge of grade appropriate and developmental-level vocabulary in reading.

### **Materials:**

Art With Heart by Julie Woik

Colors, Markers, or Color Pencils

Print out form that correlates with this lesson.

Optional - Send home letter to parents regarding this lesson.

See attached *Letter for Parents*

### **Activity:**

Gather the children in a circle and read Art With Heart, showing everyone the illustrations. After the reading, hand out the form in which the students will say the name of the item in each box. After identifying the item, they'll read the two words next to the item, and circle the one that matches it.

### **Assessment:**

Students will recognize the basic patterns in and functions of language, such as characteristic sounds. They'll increase their comprehension and vocabulary by rereading words, and determining their correct spellings.
