Optional - Send home letter to parents regarding this lesson.

See attached *Letter for Parents*

Activity:

Gather the children in a circle and read Art With Heart, showing everyone the illustrations. After the reading, hand out the form in which students will find sight words from the book. The words will be found in a vertical or horizontal position, nothing diagonal or backwards.

Assessment:

Students will increase their knowledge of sight words by recalling the correct spellings and circling them on the word search activity sheet.
