

Art With Heart

Lesson #2

Age:

Pre-Kindergarten

Objective:

- Students will analyze and identify measurable attributes to determine differences in objects similar in appearance.

Materials:

Art With Art by Julie Woik

Colors, Markers, or Colored Pencils

Print out form attached that correlates with this lesson.

Optional - Send home letter to parents regarding this lesson.

See attached *Letter for Parents*

Activity:

Gather the children in a circle and read Art With Heart, showing everyone the detailed illustrations. After the reading, hand out the form in which students will circle the two images that match in each row. Afterwards, discuss the book's lesson of confidence, and encourage the students to stand tall and be "confident" when they engage in a new project at home or at school.

Assessment:

Students develop the ability to compare features of objects with similar qualities in order to determine their differences.
