

Art With Heart

Lesson #3

1

5

3

Age:

Pre-Kindergarten

Objective:

- Students will understand the different ways numbers are represented in the real world by using objects to represent whole numbers.

Materials:

Art With Heart by Julie Woik

Pencils, Pens, or Colors

Printed out form attached that correlates with this lesson.

Optional - Send home letter to parents regarding this lesson.

See attached *Letter for Parents*

Activity:

Gather the children in a circle and read Art With Heart, showing everyone the beautiful illustrations. After the reading, hand out the form showing the numbers on the left and images on the right. Have the students draw a line from the whole number to the corresponding image/s.

Assessment:

Students recognize different ways numbers are represented by drawing a line from a number to the correlating image/s.
