

The Garden Gathering

Lesson #5

Age:
Pre-Kindergarten

Objective:

- Students will analyze and identify a variety of two-dimensional shapes.
- Students will begin to use the reading process to identify words.

Materials:

The Garden Gathering by Julie Woik

Crayons or Colored Pencils

Printed out form attached that correlates with this lesson.

Optional - Send home letter to parents regarding this lesson.

See attached *Letter for Parents*

Activity:

Gather the children in a circle and read The Garden Gathering, showing everyone the illustrations. After the reading, hand out the form with Lilly the Lash in a colored shape. Have the students locate the outline of the same shape, color it the same, and then circle the correct color.

Assessment:

Students recognize the characteristics of a basic two-dimensional shape. They learn to identify and construct words through illustration and visual clues.
