"COOL TOOLS FOR A SCHOOL!"

PBIS Positive Behavioral Interventions & Support

PBIS is a proactive approach to establishing the behavioral supports needed in a school for all students to achieve social, emotional, and academic success. Teaching, modeling, and reinforcing positive social conduct is an important step of a student's educational experience. School-wide PBIS establishes a climate in which appropriate behavior is the norm.

The *Life and Times of Lilly the Lash*® books, and the motivational board game, *Lilly's Garden of Growth*™, work in conjunction with the strategies utilized in PBIS programming. Lilly the Lash teaches important life lessons that help children build strong self-esteem and good character, which in turn empowers them to make positive behavioral choices.
