★ ★ REFERRAL PROGRAM ★ ★

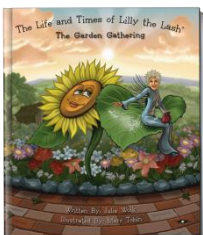

For every school you tell about Julie's Author Visits, and in turn, that school confirms a Visit, your school will earn Lilly the Lash Cash. The cash is pretend, but its value is not. One referral buys a set of six books presently in The Life and Times of Lilly the Lash® series. There's no limit to the amount of sets you can earn, but your school must be referenced by the other school in order to receive the books. Use the books for use in your library, for fund raising, or as Achievement Awards.

* These can be schools ANYWHERE in the country. Teachers/Principals/PTA/Students are all welcome to participate. *

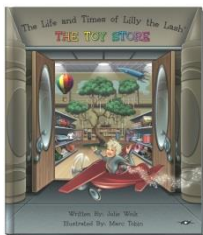

The Life and Times of Lilly the Lash®

Entertaining and educational! These are the first six in the anticipated fifteen book series.
