

Lilly's Garden of Growth Board Game Lesson Plan

Age:

Open to all ages

Objective:

Children will understand how their attitude, behavior, and actions can determine how they move ahead in their day and in life.

Materials:

The Life and Times of Lilly the Lash: The Garden Gathering by Julie Woik

Lilly's Garden of Growth Board Game (Print game in 1 of 3 ways)

Wall Space - A 35" x 36" area that children can reach to play game

Game Pieces - Use Lilly's Gang or create your own

Tacking (sticky adhesive like Blu Tack) or Thumb Tacks

Card - Choose the appropriate Card/s or create your own

Activity:

Read Lilly's first book, The Garden Gathering to the students or your child. After the reading, talk about the importance of positive attitudes and behavior, and how it affects their day, as well as those around them. Then show them the game board and hang on the wall together. Explain how they'll be able to gain "moves" throughout the day by completing certain tasks or exhibiting positive behaviors.

Note: Check out the different playing options available before deciding the appropriate Card/s for the players, as well as the way you want to approach the game in regard to rewards.

Assessment:

Children will recognize through the respect and responsibility they show themselves and others, that they can meet life's challenges straight on, and be truly successful each and every day!
