Activity:

Gather the children in a circle and read Jungle Jive, showing everyone the illustrations. You may want to read the story an additional 5-10 times. Once you feel the children are ready, have them play the game. (Directions and the questions/answers are on the activity sheet). Place a bell or buzzer in front of each of the two players at the beginning of each round. Once the teacher/adult has read the question, the player who feels they can answer the question, must ring the bell and say "I GOT IT!" The team with the most points at the end WINS!!!!

Assessment:

Students will use their listening skills to organize information and produce details and facts regarding the text. Reviewing the text in this manner will provide a fun opportunity for students to discuss the purpose and meaning of the storyline.
