

Create a recipe for RESPECT, KINDNESS, AND CARING.  
Write the kind of recipe you'd like to see  
both in the school, as well as everywhere you go.

Ingredients would include such things as  
Me, Classmates, and Teachers, as well as  
Handshakes and Compliments.

Directions would describe how you'd like all of the  
ingredients to work together to show respect, kindness,  
and caring to everyone, no matter their differences.
