

LET'S BANNER

TOGETHER

One thing's for sure...we're all different!!!
All of us have different issues in our lives.
We must support and care for one another,
no matter what our differences may be.

RESPECT IS #1!

Have students create their own individual page showing how they want themselves and others to show respect. Be clever. Use words from magazines or newspapers. Use images from The Kacklin' Kitchen supplied for this activity. Upon completion, place the pages next to one another, creating a cool banner for the whole school!!!
