Optional - Send home letter to parents regarding this lesson.

See attached *Letter for Parents*

Activity:

Gather the children in a circle and read The Kacklin' Kitchen, showing everyone the incredible illustrations. After the reading, print the form in which students will circle the correct item in each row, and then answer the related question below it.

Assessment:

Students will use their knowledge of items in the kitchen to compare, identify, and successfully determine specific variances in those items. They will use their personal perspectives to relay factual information.
