

The Kacklin' Kitchen

Lesson #4

Age:
3rd Grade

Objective:

- Students will focus on a central idea regarding an illustration singled out by the author.
- Students will discuss the ecosystem and understand how our natural resources affect the environment.

Materials:

The Kacklin' Kitchen by Julie Woik

Colored Pencils, Markers, or Crayons

Print out form that correlates with this lesson.

Optional - Send home letter to parents regarding this lesson.

See attached *Letter for Parents*

Activity:

Gather the children in a circle and read The Kacklin' Kitchen, showing everyone the incredible illustrations. After the reading, print the form in which students will create images displaying their thoughts and opinions regarding our precious resource dilemma.

Assessment:

Students will understand the consequences of the depletion of one of our natural resources. They will recognize that people can form new ideas and work to solve the problem.
