

The Kacklin' Kitchen

Lesson #1

Age:
Kindergarten

Objective:

- Students will use objects to represent whole numbers from 1 to 20.
- Students will understand that whole numbers can be represented in a variety of equivalent forms.

Materials:

The Kacklin' Kitchen by Julie Woik

Colors, Markers, or Pencils

Print out form that correlates with this lesson.

Optional - Send home letter to parents regarding this lesson.

See attached *Letter for Parents*

Activity:

Gather the children in a circle and read *The Kacklin' Kitchen*, showing everyone the illustrations. After the reading, hand out the form in which students will solve the problems involving addition of whole numbers.

Assessment:

Students will understand the different ways numbers are represented and used in the real world.
