

Hey Everyone!!
I think it's important to hear
what you've got to say.

In Lilly the Lash's adventure, Ocean Commotion,

HONESTY was the lesson.

Answer the questions below in your own words.

Pretend that you've done something wrong, but someone else got in trouble for your actions. Would you come forward and set things straight? How and Why?

What if it was the other way around? Would you want someone else to come forward and set things straight for you? Why?
