

In the story  
**Ocean Commotion**

Echo came to understand what she was doing wrong,  
she took **RESPONSIBILITY** for her actions,  
and she made sure to set things straight.

But what if she

**HADN'T?!**

1. If no one had ever been caught or admitted to taking things in the town, what do you think Ms. Casey and the other shop owners would have needed to do?
