

#3 - THE SITUATION

The Principal sits down to talk with you about a report that states you're hitting other students on the playground.

#3 YOU...

instantly become angry.
You begin kicking the desk and shouting loudly.

#3 YOU...

listen carefully to the Principal. You accept responsibility and apologize for your actions.

#4 - THE SITUATION

Your teacher hands out a Word Search, and instructs the class to read the directions **before** starting.

#4 YOU...

ignore the teacher and skip the directions. You struggle with this Word Search, as it's different than others before.

#4 YOU...

quietly read the directions, and discover that this Word Search is different. You have fun doing this new activity.
