

#5 - THE SITUATION

The teacher asks the class to pick up any mess they might find around the room.

#5 YOU...

don't want to clean up. Instead you begin to throw books from the library table onto a pile on the floor.

#5 YOU...

immediately notice several things that need to be put away. You go and put things where they belong.

#6 - THE SITUATION

Everyone in class is allowed to use the special paints from the art room. They are very expensive.

#6 YOU...

don't listen to the teacher's instructions about the paint. You squeeze out way too much, and are wasteful.

#6 YOU...

can see this paint is special, so you make sure to handle them carefully, and use only what you need.
