Imagination, Self-Expression, and LOVE!

Discover:

Read The Garden Gathering, looking closely at each page and all of the illustrations. Afterwards, discuss why Sunny felt sad, and how that affected her attitude. Discover the differences that exist in the garden characters and in everyone around us.

Connect:

- Each Girl Scout will receive a coloring page.
- Using crayons and/or the colored markers, they will decorate Dazzlin' Daisy in the way THEY feel she should look.
- Sequins or glitter can add a special touch.

Take Action:

After everyone helps to clean up, gather the girls together in a circle. Have them take turns showing their artwork, and express how they feel about all of us being different. Everyone clap at the end, praising each other for a job well done!
