

# Fighting Isn't Fun!

A 7 year old boy named Alex likes to pick fights with the other students. He pulls hair, scratches, or sometimes even hits people. No one in the classroom likes this, and they want Alex to stop this behavior. Discuss the problem below.

What behavior is Alex displaying?

- a. Respect
- b. Frustration and Anger
- c. Honesty

If Alex is feeling upset, what should he do?

- a. Go get ice cream
- b. Run around the room screaming loudly
- c. Talk to a teacher about his frustration

What should someone do if Alex tries to hurt them?

- a. Get away from the situation and tell a teacher
- b. Chew gum
- c. Hit him back

How do you think Alex could begin to learn appropriate behavior?

- a. Make him sit in a corner for the rest of the school day
- b. Have the teacher speak with Alex and have the students tell him how they feel about his behavior and how it affects them
- c. By quitting school
