Sharing My Love sheet

Scissors

Fleece Fabric

- 2 or 3 different kinds of prints and 2 or 3 different coordinating solid colors
 1. Several yards of the printed fabric
 2. Several yards of the solid fabric
- You'll need enough fabric for each girl to cut a 5 ft. x 5 ft. section, from both the printed and solid fabrics

Discover:

Read The Toy Store together as a group. Discover how one person's act of kindness, can open up a world of happiness for another. Aaron's desire to befriend Tommy, made Tommy feel so good, he was able to admit to his unpleasant behavior, as well as recognize the true importance of sharing.

Connect:

- Each girl will pick two different fabrics, stack them, and cut two equal 5 ft. x 5 ft. sections.
- While fabric remains stacked, they'll cut a 6 in. area from all corners.
- Again, while stacked, the girls will cut 1 in. strips, 6 inches into both sections of fabric, along each side of the blanket.
- Now tie a strip from the top fabric, to the coordinating strip from the bottom fabric with a knot. Tie the knot close to the blanket area.

Take Action:

After clean up, have each of the girls express who she's going to SHARE this gift of love with. Make sure each girl gets a Sharing My Love sheet, which they can fill out and give with their blanket.

Sharing warms the hearts of all those who witness it!!
