

Blanket Instruction Guide

Place printed fabric on top of solid fabric
Measure and cut a 5' x 5' area
(After cutting you'll have 2 equal sections)

Keeping the sections of fabric placed on top of one another,
cut out a 6" x 6" square on all corners

Hold the two sections of fabric together while
cutting 1" wide strips along each side of the blanket,
cutting 6" deep into the pieces of material
