Book #1 in the Series

In *The Garden Gathering*, Lilly the Lash finds her very first mission in a colorful garden, where a big beautiful sunflower struggles to recognize the importance of her own **SELF-WORTH**. Lilly sends in Arnie, a tiny soccer playing spider, to help Sunny realize that no matter what our differences...we all have value!

Book #2 in the Series

In *The Toy Store*, Lilly the Lash finds herself in New York City, where a young boy's access to every toy imaginable, leaves him feeling saddened and alone, due to his inability to create friendships through the value of **SHARING**. Lilly sends in a loving, soulful child to help him recognize that sharing is part of what makes every experience in life so worth living!
