

Lilly the Lash  
used a compass watch to help  
her find her destination.

A COMPASS ROSE,  
which you'll often find on a paper map,  
helps us to determine the direction  
of any particular location.

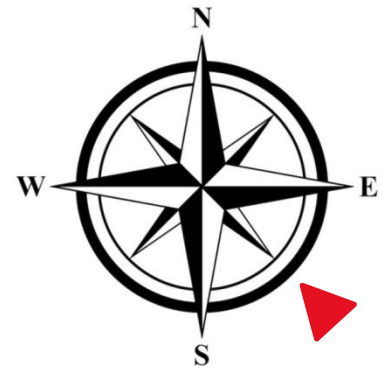

**Under each compass rose, mark the box with the  
correct answer showing the direction of the red triangle.**

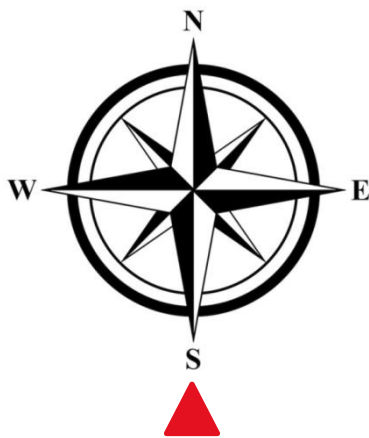

- North
- West

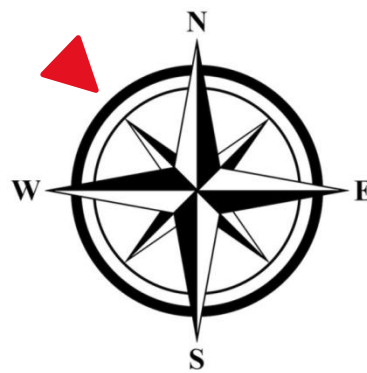

- Northeast
- Northwest

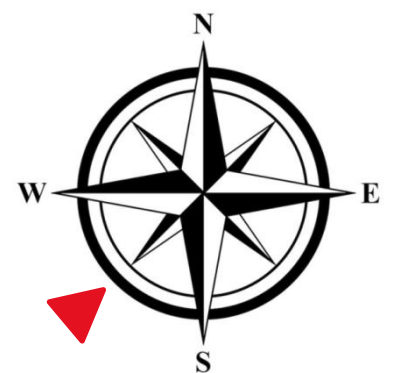

- East
- Southwest

- South
- North

- Westnorth
- Northwest

- Westsouth
- Southwest
