

# The Life and Times of Lilly the Lash®

## A Room To Bloom

"The road was a long one, but there I can see,  
That the target," pointed Lilly, "is perfect for me.  
It's where the big whirlybirds land from the air.  
Bringing in patients who need special care."

After taking a moment to check out the grounds,  
She was drawn to the entrance, now teeming with sounds.  
"I don't know exactly what makes this the place,  
But I'm certain that it's time I get on with the case."

Lilly was ready to search and explore,  
She excitedly flew towards the wide-open door,  
But the automatic slider was destined to close,  
Leaving Lilly sliding down, from her head to her toes.
