

The Toy Store

Lesson #2

Age:
4th Grade

Objective:

- Students will write to communicate ideas and information correctly.
- Students will use speaking strategies effectively to communicate for discussion purposes.
- Students will use listening strategies to gain information and respond appropriately.

Materials:

The Toy Store by Julie Woik

Pens, Markers, Colored Pencils

Magazines to cut up (Ones with toys would be great!!)

Construction paper/Scissors/Tape

Dice and Game pieces (Small trinkets - shell, paper clip, coin)

Optional - Send home letter to parents regarding this lesson.

See attached *Letter for Parents*

Activity:

Gather the children in a circle and read The Toy Store.

After the reading, discuss the importance of the sharing.

Then hand out the form to make their own board game. See Board Game Instructions and Rules For Play.

Assessment:

Students increase comprehension of a literary piece through communication of ideas and information.
