

The Toy Store

Lesson #2

Age:
5th Grade

Objective:

- Students will use simple strategies to identify words and increase vocabulary.
- Students will select and use a variety of reference materials such as maps, illustrations, and charts to gather information.

Materials:

The Toy Store by Julie Woik

Pencils or Pens

Optional - Send home letter to parents regarding this lesson.

See attached *Letter for Parents*

Activity:

Gather the children in a circle and read The Toy Store. After the reading, hand out the form that correlates with this lesson. Ask the students to use various reference materials to answer questions Lilly will need to know about sailing. This is a fun way to learn and review nautical language.

Assessment:

Students increase their vocabulary by defining unfamiliar words and learn to use reference materials effectively.
