

The Toy Store

Lesson #1

Age:

Kindergarten

Objective:

- Students will analyze, understand, and identify patterns and relationships in objects.

Materials:

The Toy Store by Julie Woik

Pencils or Pens

Printed out form attached that correlates with this lesson.

Optional - Send home letter to parents regarding this lesson.

See attached *Letter for Parents*

Activity:

Gather the children in a circle and read The Toy Store, showing everyone the illustrations. After the reading, hand out the form with the rows of images. Have the students eliminate the object that's different from the other two objects in the row.

Assessment:

Students will analyze data from an orderly display to problem solve.
