

# Let's Make A Brochure

- Fold your construction paper to look like a brochure
- Decorate the front cover of your brochure with a picture or words that describe sharing
- On one of the sections of your brochure, write and answer the following sentence:

Lilly the Lash wants us to share with one another because

---

- Now, decorate the rest of your brochure with information or images that show the importance of sharing. (Work together with your classmates to make the best brochures ever!!!)
