

Help Tommy Be A Winner

Tommy isn't always liked at school. He isn't careful when it comes to handling other people's property.

One day when Betsy brought in her beautiful Lilly the Lash book to show everyone, Tommy spilled water on it, but didn't bother to clean it off. When Joey brought his fish Frank into the classroom for a week, each student took turns feeding him. Tommy didn't feed Frank when it was his turn. Sometimes at the end of the day, Tommy throws other student's backpacks to the ground to get to his.

A lot of Tommy's classmates are feeling frustrated. How can Tommy learn to be nicer and more responsible?
