

The Life and Times of Lilly the Lash

Ocean Commotion

While soaring the skies, Lilly hoped she would find,
The most beautiful place to relax and unwind.
As she peered through the clouds, Lilly's wish had come true.
"A paradise," she said, "with a marvelous view."

A miscalculation to land on the ledge,
Left Lilly one handed just over the edge.
"I may need more practice on landing in flight,
'Cause I think I'd have fallen, if my grip wasn't tight!"

From the Cād'Zan tower overlooking the bay,
Came a prism of light slowly drifting her way.
The rippling waves washed a bottle ashore,
With a message that read, **"WE'VE GOT TROUBLE GALORE!"**
