

Dear Julie Woik,

Thank you for coming to our school and talking to us about your books. It is really great that we can have a real author come to our school and talk to us about what it takes to be an author. I love it that you have so much energy and how you're so enthusiastic.

I always have thought about writing a book. I even started a few times but never got to finish. I think I am going to try again but this time I will finish it. It will take place in the time of princes and kings and castles. My characters will be Prince Gerald, Prince Harry, and King Jerry.

Sincerely,
Alex Kliefoth
