

Dear Julie Weik,

Thank you for coming to our school. I learned a lot from what you told us you do, it seems you have to do a lot just to get a book finished. You had many good ideas but I would like to see "Lily" become a movie or even a TV series kind of like "Veggie Tales." Well we enjoyed your visit very much and thank you for coming.

Sincerely,

Alyssa Radtke, 8<sup>th</sup> grade
