Lilly's Garden of Growth Day Card

Created for mainstreamed special needs student who experience issues such as ADHD, Autism, Cognitive Disorders and the like. This Card is carried by the child to the designated classroom, where the corresponding teacher will put a line through the behaviors the child **DID NOT** complete successfully in that period. At day's end, the Home Base teacher will add up points earned. Try printing this Card on colored paper with a heavier stock. They will be carried around all day, and the sturdier paper will be a plus!
Note: 2 Cards will print per page. Cut on line provided.

Lilly's Garden of Growth Performance Card

Specially designed for individuals who respond extremely well to visuals as a directive. Children with Autism or concentration issues can feel productive when earning points with this Card. The teacher would put a line through the behaviors the child **DID NOT** complete successfully in that period. At the day's end, the Home Base teacher will add up points earned. Try printing this Card on colored paper with a heavier stock. They will be carried around all day, and the sturdier paper will be a plus!
Note: This Card folds in half at the dotted line. Tape open end if desired.

Hint: Create a clear pocket to insert folded Card on top of the student's desk. This makes it accessible to the child, and if needed, a teacher can easily point to the behavior they are looking for, bringing the child back into focus.

Lilly's Garden of Growth Organization Card

Perfect for a student who has difficulty waiting patiently with others for the school doors to open at the start of day. A teacher would have the child come into the classroom early, and use this Card to help them earn 1 Move Ahead first thing in the morning, by completing all of the organizational tasks. The Organization Card is used in conjunction with the Day Card. Try printing this Card on colored paper. Regular stock works just fine, as it won't be getting additional use.
Note: 2 Cards will print per page. Cut on line provided.
