

# The Lilly the Lash Song

Choreographed

**NOTE:** The instruction applies to the lyrics beneath in italic.

**INTRO:** The children put their hands on their hips and sway to the music.  
Then they make a motion with their hands like a flying fairy.

*Lilly the Lash, Lilly the Lash, Lilly the Lash (Fairy)  
Lilly the Lash, Lilly the Lash, Lilly the Lash (Fairy)*

**The children will cover their mouths, and then point forward like, "LOOK!"**

*Wow, Hey Look, It's Lilly the Lash*

**The children snap their fingers on both hands.**

*She's got a snappin' tune you'll throw down in a flash*

**The children jump and clap.**

*Jump up, clap your hands, and give us a shout*

**The children place hands on their shoulders, then raise and shake them.**

*Cause Lilly's in town, and it's time to break out!*
